2024 NOMA Future Faces Summer Cohort

In partnership with the AIA Large Firm Roundtable (LFRT), the National Organization of Minority Architects (NOMA) is proud to announce the sixth cohort of the NOMA Future Faces Fellowship (formerly the NOMA Foundation Fellowship). Cohort 6 will be a 8-week internship that will provide currently enrolled students and recent graduates access to internships with top architecture firms across the country. Applicants must be registered members of NOMA and demonstrate active engagement with a chartered NOMAS chapter. Students from the 7 NAAB-accredited Historically Black Colleges and Universities are highly encouraged to apply.

NOMA Future Faces Application

FOLLOW THESE STEPS

1. From the pull down menu Category, select the award category you would like to enter or nominate.
2. From the second pull down menu, select the specific award, competition or conference seminar theme, nomination you would like to submit.
3. You may then fill in the Name of the Presenter, School, Firm, or Awards Applicant.
4. Hit "Save" to start your submission.

Name of Presenter, School, Firm, or Awards or Committee Applicant

In partnership with the AIA Large Firm Roundtable (LFRT), the National Organization of Minority Architects (NOMA) is proud to announce the sixth cohort of NFF. Cohort 6 will be an 8-week internship that will match currently enrolled undergraduates, graduate students and recent graduates with top architecture firms across the country. Students from all schools may apply.

Application Deadline

February 21, 2025

Fellowship Details

Dates: June 2 – July 25, 2025 (8 weeks)

Type: On-site Internship *(Virtual positions may be offered at the discretion of host firms but are not guaranteed)*

Compensation: Host firms will compensate and hire their fellow directly, following onboarding procedures according to their firm policies including but not limited to overtime, paid time off, holidays, employee benefits, etc. NOMA will not provide additional compensation for labor.

Fellowship Stipend: All fellows will be eligible to apply for up to \$2,450 in reimbursements to cover expenses related to completing the fellowship, including but not limited to costs associated with daily commuting, relocation to the host city, rent for an apartment, and technology upgrades not provided by the host firm. Fellows must complete a Reimbursement Request form and submit all receipts no later than August 9 to receive a reimbursement. Fellows may submit multiple requests throughout the fellowship, the total amount not to exceed \$2,450. Please allow 30 days after submission of receipt for reimbursement distribution. All reimbursements will be issued via ACH Direct Deposit or check, according to the preference of the fellow.

Eligibility: To be eligible for the NOMA Future Faces Fellowship, applicants must meet the following requirements:

- Applicants must be (a) currently enrolled in their final 2 years of a 4-year undergraduate program, (b) currently enrolled in their final 3 years of 5-year undergraduate program, (c) currently enrolled as a graduate student in an M.Arch program, or (d) a Fall 2025 graduate of an undergraduate program.
- Eligible majors include architecture, landscape architecture, interior design, urban planning, or urban design. Students from both NAAB-accredited and non-accredited architecture programs may apply.
- Applicants must be active student members of NOMA in good financial standing with the national organization as of March 1, 2025 and demonstrate active membership with a chartered NOMAS chapter. Non-members will not be considered.
- Applicants must be U.S. Citizens or Permanent Residents eligible to work in the United States. International students should refer to the requirements for Student & Exchange Visitors by the State Department to confirm their eligibility: (<https://www.uscis.gov/working-in-the-united-states/students-and-exchange-visitors/optional-practical-training-opt-for-f-1-students>).
